UNIVERSITÄT DES SAARLANDES

SAARLAND UNIVERSITY
SAARBRÜCKEN GRADUATE SCHOOL OF COMPUTER SCIENCE

Participation Certificate

European Data Science Summer School 2018
Saarland University, Saarbrücken

Asma Zgolli

Participated the 5th European Data Science Summer School at Saarland University (September 17 – 21, 2018), organized by the Chair in Business Administration, esp. Information and Service Systems (Prof. Maaß).
The 5th European Data School was supported by the Doctoral Training Program „GradUS" and dealt with the following topics:

- Introduction into Statistics
- Linear Regression / Regularization
- Databases for Big Data
- Data Science in Bioinformatics
- Support Vector Machines and Neural Networks
- Time Series with Recurrent Neural Networks
- Reinforced Learning
- Deep Learning
- Data Science Methods and Data Science in Industry

Speakers:
Prof. Dr.-Ing. Wolfgang Maaß, Saarland University, German Research Center for Artificial Intelligence (DFKI), Germany
Prof. Dr. Jonas Almedia, Stony Brook University, USA
Prof. Dr. Damian Borth, University of St.Gallen, Switzerland
PD Dr. Stefan Klößner, Saarland University, Germany
Prof. Dr. Daniel Kudenko, Saint Petersburg National Academic Research University of the Russian Academy of Science
Dr. Martin Schuhknecht, Saarland University, Germany
Iaroslav Shcherbatyi, German Research Center for Artificial Intelligence, Germany
